### Kaleidoscope Theatre presents *Cinderella*

Victoria, B.C. – Kaleidoscope Theatre 's Family Theatre Series presents Vancouver Opera's ***Cinderella***, February 20, 2011 at the McPherson Playhouse with a 2 pm matinee performance.

*Cinderella* is brought to life in an enchanting English adaptation of Rossini's full length opera, *La Cenerentola*, one of many different versions of the Cinderella story. This opera is full of dazzling operatic singing, highly elaborate costumes, and comical characters and a few added surprises. A blending of edgy punk fairy tale and traditional period design styles to bring a smart and powerful performance perfect for young audiences (kindergarten to grade 7). *Cinderella* is 45 minutes long, followed by a short Q&A and sung in English by four singers, accompanied by a pianist.

The Mini Family Theatre series at the McPherson Playhouse will also be presenting Dufflebag Theatre's ***Rumpelstiltskins*** on March 27; and Canadiana Musical Theatre's ***The Birth of the C.P.R.*** on April 10, 2011

Tickets are available through the McPherson Box Office (250) 386-6121.
